I thank you for your patience in reading so far. I continue to buy Lancashire & Cheshire-interest  
 material and hope to make contact with lots of my customers throughout the coming year. I  
 anticipate emailing this catalogue, but probably not making a printed version. Ring or contact me at  
 any hour ( except the month of July) If my answerphone says I am away, I would appreciate you  
**not** leaving a message, as the machine may get full. Its quality of recording is not of the highest  
 standard and it makes noises which lead the caller to think it is going into fax mode. It is not a fax  
 machine. Be patient – if you wait long enough, my cultured voice will be heard.
